

Announcing Guidelines

Based on recent observed events, PC and IFC need to create some guidelines for announcing.

The following are proposed requirements:

1. No alcohol
2. No inappropriate or overly exposed outfits
3. No vulgar or offensive references or gestures
4. No vandalism of the host chapter facility (e.g. food fight)
5. Announcers cannot be intoxicated
6. Inappropriate contact between those announcing and those being announced to is prohibited

If a house director or chapter member poses a formal complaint with the Sorority and Fraternity Affairs based on the aforementioned guidelines, then the respective councils have the right to take the chapter to a standards hearing and impose sanctions.
